Equivalence of the properties (β) and (NUC) in Orlicz spaces

Comment.Math.Univ.Carolinae 41,3 (2000) 449-457.

Abstract: We obtain the equivalence of the properties (β) and (NUC) in Orlicz function spaces. This answers a question raised by Y. Cui, R. Pluciennik and T. Wang.

Keywords: Orlicz spaces, property (β) , property (NUC)
